6 Barracuda Road
East Quogue, NY 11942

Dear Ms. Lanzetta,

I am writing to thank you for taking the time to meet with me to discuss Manna Fish Farms, Inc. and the aquaculture projects you hope to initiate here on the East End of Long Island.

Please know that my office has contacted the New York State Department of Environmental Conservation (DEC) to discuss your anticipated project off the Shinnecock Inlet. As you know, the DEC has State permitting jurisdiction over this proposed project. Officials at the DEC have indicated that they are actively reviewing your submitted proposal and I expect that you will be hearing directly from them in the near future.

Again, it was a pleasure meeting you. I look forward to hearing about your future endeavors and upcoming ventures.

Sincerely,

Fred W. Thiele, Jr.
